Response Due Date:

Identification Number: C00004861

Reference: October Monthly Report (9/1/08-9/30/08)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

-Your committee filed 48-hour notices informing the Commission of independent expenditures made in support or opposition of federal candidates. However, the amounts and dates of public dissemination disclosed on these notices do not appear to correlate with the entries on Schedule E, supporting Line 24 for the reporting period (see attached). If your committee has filed 48-hour notices supporting independent expenditures not reflected on your reports, you must file Schedule E during the appropriate reporting period to disclose these payments. Please amend your report to clarify this discrepancy and provide further information concerning these notices.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
